

To Whom It May Concern:

I am Benedict Lorenzo F. Bueno and I am applying for the Web Developer Position. My background as a web developer, along with my education in Computer Science from St. Louis University, have allowed me to attain strong technical skills. Also, I have been further trained as a web developer by Tuitt Incorporated Philippines for 3 months using HTML, CSS, MySQL, Javascript, JQuery, and Laravel framework with focus on PHP.

My web developing expertise include:

- Building and maintaining websites,
- Strong database knowledge specially in MySQL, and
- Extensive knowledge of HTML and HTML5, CSS, PHP, and JavaScript.

I am eager to be a part of your company and contribute my knowledge and skills in any capacity that I can. Furthermore, I am looking forward to learning even more technologies and to hone my skillset.

Sincerely,

Benedict Lorenzo F. Bueno
